

International Conference on Computer Science, Engineering and Information Technology Trends (CSEITT 2023)

September 09-10, 2023, Virtual Conference

Call for Participation

We invite you to join us in **International Conference on Computer Science, Engineering and Information Technology Trends (CSEITT 2023)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Computer Science, Computer Engineering and Information Technology Trends. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the fields.

Highlights of CSEITT 2023 include:

- International Conference on Machine Learning and IoT (MLIoT 2023)
- International Conference on Blockchain and Applications (BLKCA 2023)
- International Conference on Computer Graphics, Animation & Signal Processing (CGASP 2023)
- International Conference on Vision and Computational Intelligence (VCOI 2023)

Registration Participants

Non-Author / Co-Author/ Simple Participants (no paper)

100 USD (With proceedings)
